Reviews

Extensive information for publication fanatics. We have go through and that i am confident that i am going to likely to read through once more again in the foreseeable future. I am just very happy to inform you that here is the very best publication i have got go through in my individual lifestyle and might be he greatest ebook for ever.

(Luciano Von III)

THEATRE IN THE DARK: SHADOW, GLOOM AND BLACKOUT IN CONTEMPORARY THEATRE (PAPERBACK)**DOWNLOAD**

Bloomsbury Publishing PLC, United Kingdom, 2019. Paperback. Condition: New. Language: English. Brand new Book. Theatre in the Dark: Shadow, Gloom and Blackout in Contemporary Theatre responds to a rising tide of experimentation in theatre practice that eliminates or obscures light. It brings together leading and emerging practitioners and researchers in a volume dedicated to exploring the phenomenon and showcasing a range of possible critical and theoretical approaches. This book considers the aesthetics and phenomenology of dark, gloomy and shadow-strewn theatre performances, as well as the historical and cultural significances of darkness, shadow and the night in theatre and performance contexts. It is concerned as much with the experiences elicited by darkness and obscured or diminished lighting as it is with the conditions that define, frame and at times re-shape what each might 'mean' and 'do'. Contributors provide surveys of relevant practice, interviews with practitioners, theoretical reflections and close critical analyses of work by key innovators in the aesthetics of light, shadow and darkness. The book has a particular focus on the work of contemporary theatre makers - including Sound&Fury, David Rosenberg and Glen Neath, Lundahl & Seidl, Extant, and Analogue - and seeks to deepen the engagement of theatre and performance studies with what might be called 'the sensory turn'. Theatre in the Dark explores ground-breaking areas that will appeal to researchers, practitioners and audiences alike.
