HURRICANE SEASON (PAPERBACK)

Thomas Nelson Publishers, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. This USA TODAY bestseller is now available in mass market paperback!" A poignant and heartfelt tale of sisterhood, motherhood, and marriage, Hurricane Season deftly examines the role that coming to terms with the past plays in creating a hopeful future. Readers will devour this story of the hurricanes-both literal and figurative-that shape our lives." -Kristy Woodson Harvey, national bestselling author of Slightly South of SimpleFrom the author of the USA TODAY bestseller The Hideaway comes a new story about families and mending the past. Betsy and Ty Franklin, owners of Franklin Dairy Farm in southern Alabama, have decided to put life's disappointments behind them. At least in theory. Ty manages their herd of dairy cows, while Betsy busies herself with the farm's day-to-day operations and tries to forget the longing for motherhood set deep in her heart. But when Betsy's free-spirited younger sister Jenna drops her young daughters off at the farm to attend a two-week art retreat in Florida, Betsy's carefully constructed wall of self-protection begins to crumble. As those two weeks stretch much farther into the hot Alabama summer, Betsy and Ty learn to navigate the new additions in their world and revel in a home that's suddenly filled with the sound of laughter and life. Meanwhile, record heat promises to usher in the most active hurricane season in decades. Four hundred miles away, Jenna is fighting her own battles. She'd once been free to travel and pursue a career in photography, but all that changed with the appearance of two pink lines on a plastic stick and a boyfriend who hit the road. At Halcyon art retreat, she finally has the time and energy to focus on her photography. As the summer continues, she wonders how her...
